**PLACE:** Airdrie City Hall, 400 Main Street, Airdrie, AB

The Airdrie Centennial Legacy Art projects are significant projects planned by the Airdrie Centennial Committee to create a lasting legacy, preserve the past, celebrate the present and recognize Airdrie's centennial. The art works will be incorporated into the public lands and in City of Airdrie facilities for all residents and visitors to enjoy. The addition of arts to our rapidly growing community will help create a sense of pride and ownership. These magnificent works of art will create a cultural awareness for Airdrie and create a meeting place where residents can come and feel genuinely connected to their community.

The Community Initiatives Program (CIP) provides funds from the Alberta Lottery Fund to enhance and enrich project-based community initiatives throughout Alberta. Funding is based on local needs and priorities, in accordance with provincial guidelines.
