Historical Centennial Timeline Brochure Delivered to Airdrie Residents

Airdrie, Alberta – The Airdrie Centennial Committee is pleased to announce the release of a historical timeline brochure. The brochure will be delivered to Airdrie resident's mail boxes during the week of March 9 2009.

“This special brochure will be a keepsake for generations to come,” says Sharon Bilben, Chair of the Airdrie Centennial Historical Committee. “The brochure pieces together significant events that helped shape Airdrie's story.”

This historical project was sponsored by WestMark Holdings (developer of Cooper's Crossing) and by the Alberta Historical Resources Foundation.

“We were delighted to sponsor this project and recognize those who called Airdrie home before us” says Paul Gerla, owner of WestMark Holdings. “Their efforts are why Airdrie is such a great place to live today.”

The timeline brochure is one of several special projects the Airdrie Centennial Committee has been working on over the past two years.

“The brochure and the Airdrie Centennial Book emulate the Centennial Committee's theme statement, ‘In a landscape shaped by Chinook winds and Nose Creek, a city celebrates 100 years of history built on a pioneer spirit, community pride and opportunity for the future,’” says Bilben.

Additional copies are available at Airdrie City Hall and the Nose Creek Valley Museum after March 10, 2009. For more information on upcoming Airdrie Centennial events and projects, please visit www.airdrie.ca/centennial.
