

AGENDA REPORT

Meeting Date (M/D/Y): 4/7/2014

Subject: 2013 Election - Candidate Campaign Contributions and Expenses

Boards Routed Through:
City Council

Date:
4/7/2014

Description:

Council is being provided with information on the 2013 Election candidate campaign contributions and expenses.

Background:

In 2010, the Local Authorities Election Act (LAEA) introduced amendments that required that council candidates in a general election who have received contributions to their campaign must file a Campaign Contribution & Expense Disclosure Statement on or before March 1, immediately following a general election. This year March 1 fell on a Saturday, allowing candidates to file papers up until the end of business on Monday, March 3, 2013.

The legislation compels all candidates to be responsible and accountable to electors for both the sources of their campaign contributions and the amount of their expenditures during their campaigns for public office. As well, it outlines how any campaign surpluses must be handled.

The current legislation requires that only those candidates receiving contributions to their campaigns are required to report. However, without knowing who did and didn't receive contributions, all candidates were requested to either file their documentation or reply by email indicating that their campaign was self-funded.

Boards Routed Through:

None

Alternatives/Implications:

This report is for information only.

Corporate Communications:

The Campaign Disclosure and Financial Statements are available online as part of tonight's agenda package and will be posted to the Election section of the City's website.

Recommendation: That City Council accepts for information the disclosure of 2013 Campaign Disclosure and Financial Statements as required under the Local Authorities Election Act.

K. Kitiuk
Team Leader, Legislative Services
