Preschool and Children's Programs at Genesis Place

Preschool and children's programs

Genesis Place offers high quality recreation programming for ages 16 months to 12 years based on the importance of physical literacy and play!

Movement and dance: These programs are designed to incorporate physical literacy while moving to music and exploring opportunities to be creative.

- Little Movers (ages 2 to 3)
- Hop, Skip and Grow 1 (ages 3 to 4)
- Hop, Skip and Grow 2 (ages 4 to 5)

Sport: These programs are designed to incorporate physical literacy while exploring different sports and new equipment in the gym.

- Tiny Mites Jump and Run (ages 2 to 3)
- Jump, Throw and Run 1 (ages 3 to 4)
- Jump, Throw and Run 2 (ages 4 to 5)
- Floor Hockey + More (age 5 to 12)

Home school: Our home school physical education program offers the opportunity to work on skill development and team work. Classes available for ages 5 to 7 and 8 to 12.

Preschool learning opportunities

Genesis Place offers a variety of educational programs for preschool age children. If you are looking for a year round, complete preschool experience, check out our Kids Connection program. If you are looking to just try out a short one day a week seasonal program, check out these classes.

- Play and Learn (age 3)
- Active Learners (ages 4 to 5)

Sportball

Sportball is all about teaching children the fundamental skills behind sports (as well as helping parents to teach their children). Genesis Place is excited to partner with Sportball and have them provide a wide variety of developmentally appropriate and non-competitive programs for children ages 16 months to 6 years. We offer year round indoor programs and outdoor programs in spring and summer.

For more information go to sportball.ca and visit airdrie.ca/sportball for details on our programs.
