DeSonus is a unique charity event which has featured a range of world class talent - from Grammy, Juno, and Dove Award Winners, to finalists from the acclaimed show "The Voice". This event combines amazing performances with a fun format to support two separate charities each year - 1 far away and 2 close to home! This year pulls inspiration from our past four years of concerts that is sure to make the DeSonus 2019 concert series our BEST YEAR YET!

Tickets and info for both concerts at
