

# Kids Connection Preschool

November was a fantastic month. We enjoyed learning about the meaning of Remembrance Day and wearing red to support our veterans. We also talked about transportation and jungle animals. The highlight of November was our field trip to Superstore where the kids enjoy checking out behind the scenes and even got to pet a real lobster.

## Physical Literacy

This month kid's connection will be completing individualized fundamental movement skill (FMS) assessments. These will be used to identify areas of strength and weakness in children within our Kids Connection program. Assessing a child's FMS ability gives teachers important feedback in determining what our kids need to work on. This information will be utilized to improve our physical literacy program to offer the best possible education for the children.

## PJ Movie Day

Dec 16, 17 and 20 we will have pajama movie day. Please feel free to have your child bring their favorite stuffie and/ or blanket to cuddle with during our
