

Kids Connection PRESCHOOL

Welcome back. We hope everyone had a wonderful winter break. December was a great month, and we truly enjoyed the opportunity to visit with all our families during our Christmas concert days. We also had fun on our pj movie days and loved meeting all the cherished stuffies that came to join us. Everyone enjoyed tasting the pizza and cake we made at our Superstore field trip.

January is full of exciting activities and themes. Remember to check the parent boards for new information and neat ideas.

Where: In the classroom.

Monday – Friday from
8:30 a.m.-3:30 p.m.

You can also email
bobbi.thomas@airdrie.ca for
the forms if are unable to make
it during those times.

More detailed information will
follow in the next weeks with
times and costs

Genesis Place Value

Added incentives

In case you did not
know...Genesis Place is offering a
10% discount on all registered
programs if you are a continuous
pass holder.

This applies to your monthly Kids
Connection payments as well!

Please let the instructors or
Bobbi know if you are a pass
holder and would like to take
advantage of this offer.

Snow Play

We are planning to take the physical literacy portion of our program on an outdoor adventure. **During the week of Jan 13-17** we will be going outside to play and have fun in the snow. **Please ensure your child has a full snowsuit, mittens, a toque, and warm boots.** Children can come into class in their outdoor gear as we will be heading outside at the beginning of class time. We will assist children in changing into indoor shoes when we arrive back to class. Labels on backpack and boots will assist us with the changing process.

Physical Literacy

One of the fundamental movement skills we will be focusing on this month will be running. Between the ages of 4-6 your child should be running with confidence. Basic running skill assist in developing strength and balance, and running is essential in many sports and activities.

To promote running proficiency, we will focus on the steps needed to run correctly and efficiently. We will introduce running games such as tag, and relay style races. Next steps include playing sports such soccer and floor hockey where running is included in a fun and productive way.
