

# Kids Connection Preschool

January was a fantastic month. The children particularly enjoyed learning about arctic animals, and talking about all the fun we can have in the snow. Unfortunately, the cold weather snap prevented our outside snow play therefore; we have rescheduled this for the first week of February to coincide with winter walk day on Feb 5. Please bring your child prepared to play outside for our physical literacy portion for the whole week.

## Physical Literacy

Hopping and jumping are fundamental skills that assist with a multitude of activities ranging from dance, to track and field.

To promote proficiency in hopping and jumping, we will make use of our gym space by including obstacle, and follow the leader games. We also play sleeping animals in the dance studio, using movements of bunnies and frogs to encourage these skills.

## Jersey Day

Feb 10 & 11 we would love the children to wear jersey's or sports shirt to support the Alberta Winter Games coming to Airdrie.
