

# Airdrie Fire Department

## Virtual Birthday Celebration request

Airdrie Fire Department (AFD) has been invited to a lot of birthday parties lately! We appreciate your support and would love to drive by each and every party, but our crews need to be available to respond to emergency calls at a moment's notice. We would like to help you celebrate with a personal message from the Fire Chief, some 'Sparky' activities to do at home and a photo from the fire crew. But we need help from you.

If you are requesting a celebration for a child between the ages 3 and 12, have a special circumstance, or will be celebrating an even greater milestone like age 75 or older, please fill out the form below and email it to **fire.department@airdrie.ca** five business days prior to your special day so we can meet your request.

### Contact e-mail
