October has been a busy month! We spent our time learning about Thanksgiving, pumpkins and Halloween! We had a great time with all the Halloween parties and carving/decorating pumpkins. It is always fun for the whole facility to get to see our costumes and be a part of our celebration.

Please make note of the important dates this month and get ready for the upcoming events.

With the restrictions in place due to COVID-19, we are looking at new and creative way to bring our annual Family Christmas performance into your homes. Stay tuned for more information about video presentations and take home family crafts next month.

Kids Connection Preschool

Did you know...

According to the Canadian 24-hour movement guidelines, preschoolers ages 3 to 4 yrs., need to spend at least 180 minutes in a variety of physical activities spread throughout the day. At least 60 minutes should be energetic play.

Kids Connection helps reach those active goals through our physical literacy program focusing on the fundamental movement skills in all of our activities. Fundamental movement skills (FMS) are the building blocks of all movement, which support children's coordination and movement. The development of these skills do not happen by chance, they happen through relevant play opportunities and experiences. FMS skills includes hopping, balancing, jumping, and throwing.

Snack Reminder

Children should be bringing two small, healthy snacks and a water bottle for snack time. With physical literacy being an important component of our program, kids get quite thirsty when we are back from our gross motor portion.

Also, just a reminder that our classroom is a peanut free environment and licensing requires that grapes are cut lengthways for this age group.

Wear Red

We will be learning about Remembrance Day this month. Please have your child wear red November 9, 10 and 13 in support of the important event.

In Flanders Fields
By: *Lieutenant Colonel John McCrae*

In Flanders Fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset
glow, Loved, and were loved, and
now we lie In Flanders fields.

Take up our quarrel with the foe: To
you from failing hands we throw
The torch, be yours to hold it high.
If ye break faith with us who die We
shall not sleep, though poppies
grow In Flanders fields.

Crazy Hair Day

November 18, 19 and 20 we will have crazy hair day. Have fun and be creative!
