2021 Genesis Place fee increase background information

Effective Sept. 1, 2021, monthly passes, drop-in use and punch card fees will increase. On March 15, 2021, Airdrie City Council approved changes to the rates at Genesis Place after a market review of comparable facilities within our region was completed.

The most recent fee increase occurred in 2018 and we continue to see a steady increase in costs. This change aims to reduce the subsidization of Genesis Place by Airdrie taxpayers.

This increase will ultimately shift the cost to the individuals and groups who use the facility and offset the need to increase taxes in the future. Aligning our costs to market prices allows us to maintain our facilities and level of service at a high quality, now and in the future. We are committed to providing our facility users with a great experience and we hope you continue to enjoy Genesis Place with your family for years to come.

Facility administrative Fee: \$20 (this is applied anytime a pass is activated or reactivated). Monthly passes may be cancelled at any time without penalty.
