

2022 Utility Rates

Airdrie City Council recently approved Water, Sewer and Waste Management rates effective Jan. 1, 2022.

The average residential utility bill for a customer using 13 cubic meters of water **will increase** to \$127.75. Customers using more or less than 13 cubic meters would see a corresponding larger or smaller difference.

Rate change breakdown	2021	2022
Water - fixed daily charge	\$ 0.63	\$ 0.66
Water - consumption rate per m ³	1.5065	1.5222
Sewer - fixed daily charge	1.24	1.36
Sewer - consumption rate per m ³	1.9020	1.9509
Waste collection - fixed daily charge	0.70	.74
Environmental fee* - fixed daily charge	0.18	0.19
Average residential utility bill	\$121.31	\$127.75
