2022 Budget Overview

2.62% of the total tax increase went to Fiscal Sustainability.

Fiscal Sustainability covers Tax Stabilization Reserve, Capital Lifecycling and Insurance and Risk Management Reserve.

Capital lifecycling: Just as you maintain or enhance the value of your home by investing in it through renovations, the City needs to invest in our community assets. This is accomplished through an asset management program to ensure that money is put away in capital reserves to pay to maintain or replace our assets when needed so they last well into the future.

PROPERTY TAX NOTICES

For information on signing up for MTPP or how to pay your taxes, visit airdrie.ca/taxes

Property Tax Notices will be mailed on May 27, 2022. Payment is due June 30, 2022. (If you are already a Monthly Tax Payment Plan (MTPP) participant, you are NOT required to make an annual tax payment.)

Due to the delays at Land Titles, new property owners should visit our website at www.airdrie.ca/newproperties to request a copy of their 2022 Tax Notices.

If you have not received your property tax notice by June 10, 2022, please contact us at 403.948.8856 or taxation@airdrie.ca. Failure to receive your tax notice does not exempt you from late payment penalties.

Please allow sufficient time for payment to reach us by June 30, 2022. Penalties will be charged to all overdue accounts, as per the City of Airdrie Tax Penalty Bylaw.
