

2022 Budget Overview

2.62% of the total tax increase went to Fiscal Sustainability.

Fiscal Sustainability covers Tax Stabilization Reserve, Capital Lifecycling and Insurance and Risk Management Reserve.

Insurance and Risk Management Reserve: Suppose your vehicle suffers serious hail damage that is not covered by insurance. If you have a rainy-day fund set aside, you can repair the damage and get your vehicle back on the road without missing other expenses like your mortgage payment.

Airdrie, like other municipalities, is experiencing a 25 per cent increase in insurance costs (including property insurance, auto insurance etc.) The 2022 budget includes \$400,000 to begin building a self-insurance program to reduce budget impacts caused by volatility in the insurance industry.
