## Waterslide reopens at Genesis Place

AIRDRIE, ALBERTA – The waterslide is now open at Genesis Place after receiving some safety upgrades.

“We are happy to be able to offer the waterslide again,” says Greg Lockert, Genesis Place Manager.

The slide will be open during Public Swim times and there are two important rules to remember when using the slide. Kids must be 42” tall to ride the slide and double riding (2 people holding on to each other) will not be allowed for either kids or adults. “These are the Manufacturer suggested rules for operation and that is what we’ll be following”, says Lockert. “If everyone is safe then everyone is having fun.”

The slide is also staffed at the top to ensure everyone is being safe and having fun. The City of Airdrie is currently hiring part-time waterslide attendants. Visit [airdrie.ca](http://airdrie.ca) to apply today.
