Stamp Out Poo Shoe on Doggie Doo Day

AIRDRIE, AB – The City of Airdrie is hosting Doggie Doo Day on Saturday May 7, the first event of its kind for the City. Doggie Doo Day will bring together the dog loving members of our community with members of the Parks Department in a fun and productive clean-up of the winter doggie doo pile-up.

“We are excited to be working with the community to get our dog parks back in tip-top shape for the Spring,” says Archie Lang, Operations Manager, Parks & Public Works. “Even the business community is getting involved with Global Pet Foods stepping up to help sponsor some special giveaways to the people who come out to help,” adds Lang.

“There has been much discussion in the community about the shape of our dog parks and it’s time to just step up and pitch in. We can get the parks we have into great shape now while we look at what needs to happen with them in the future,” says Lang.

Doggie Doo Day will take place in both off-leash parks at 9:30 a.m.. Members of Municipal Enforcement will also be on hand to answer questions about dog bylaws and fines.
