## New space available for community use

AIRDRIE, ALBERTA – The City of Airdrie is pleased to announce a new community space will be available for Airdrie user groups at the Plainsmen Arena.

“At this time we have a commitment to the current users of the Plainsmen Arena to ensure we meet their needs with the improvements being made to the Plainsmen Arena. We are excited that the renovations will open up more space for usage by the community and want to get feedback from residents and explore potential uses of the space,” says Michelle Lock, Director of Community Services. “We’ve had many groups requesting space for community purposes, so this is a good time for those residents and groups to come out and share their vision with us.”

An open house will be held for any interested groups and residents to provide feedback for future uses of the Plainsmen Arena on February 7, 2011 at 7:00 pm on the second level, Plainsmen Area, 320 Centre Avenue.

For more information about the meeting, please call 403-948-8800 extension 8776.
